

Evaluation Research Assistant - UI Integrity Center

March 25, 2021

The Center is seeking a full-time Evaluation Research Assistant to support its research and evaluation activities. This position is charged with evaluating the effectiveness of Center tasks and products, and also individual state integrity strategies. The Evaluation Research Assistant will report to, and support, the Center’s Director of Research and Evaluation in a broad range of activities including: data analysis, program assessments, survey development, project evaluation, report writing, and technical assistance tasks related to the Center’s efforts.
