## A Powerful Partnership that Works for Veterans Employment and Training Professionals

### NATIONAL VETERANS’ TRAINING INSTITUTE

The National Veterans’ Training Institute (NVTI) is the only one of its kind in the United States. NVTI was established in 1986 to further develop and enhance the professional skills of veterans' employment and training service providers throughout the United States. The program is funded by the U.S. Department of Labor/Veterans' Employment & Training Service and administered by Management Concepts. [NVTI.org](http://NVTI.org)

### MANAGEMENT CONCEPTS

Management Concepts operates NVTI under a competitively-awarded contract with DOL VETS. Classes are delivered in a variety of modes, including residential weeks in Dallas, Texas, selected locations around the country, and via distance learning approaches. Attendees have access to a dedicated portal that contains course materials, discussion groups, and other resources. [ManagementConcepts.com](http://ManagementConcepts.com)
