

A&F Committee Overview

July 16, 2024

The NASWA Administration & Finance (A&F) Committee serves as a forum for Chief Financial Officers, Budget Directors & Officers, Controllers, Executive Director's Office of Administration, Chief Fiscal Officers, Strategic Operations Managers, and others who deal with member financial, budget, grant, and funding issues. The A&F Committee reviews and provides methods for the exchange of information among states about federal appropriations, resource justification, new state and federal regulations, federal audit and financial reporting systems, and other finance-related issues.
